longer than 1200mm supplied in sections. Channels over 3000mm supplied in sections with joiner. +/-2mm tolerance on

Range 100

dimensions

Grate Style PPS

Steel Grade 316

100PPSi12MTL **Linear Drain**

All stainless steel drainage unit made to specified length with specified outlet position.

This is the shallowest channel available in the Stormtech product range. The low profile at just 16mm is perfect for renovators as it requires no serious structural channels allowing the channel to fit easily within the tiling bed.

100PPS is a Punched Perpendicular slot grate design.

SPECIFICATIONS + DIMENSIONS

107mm 16mm As Required
